Leck is an environmentally conscious company that brings Hulmeville a new service: **Yard waste pick up** that will be seasonal and does not go to a land fill - this will be every other Thursday starting April 2nd and go until the first week of December. In an effort to help with sustainability, they offer refurbished 64 gallon trash totes for \$35.00 (new totes can be purchased for \$60.00). Contact Leck directly to order your toter.
